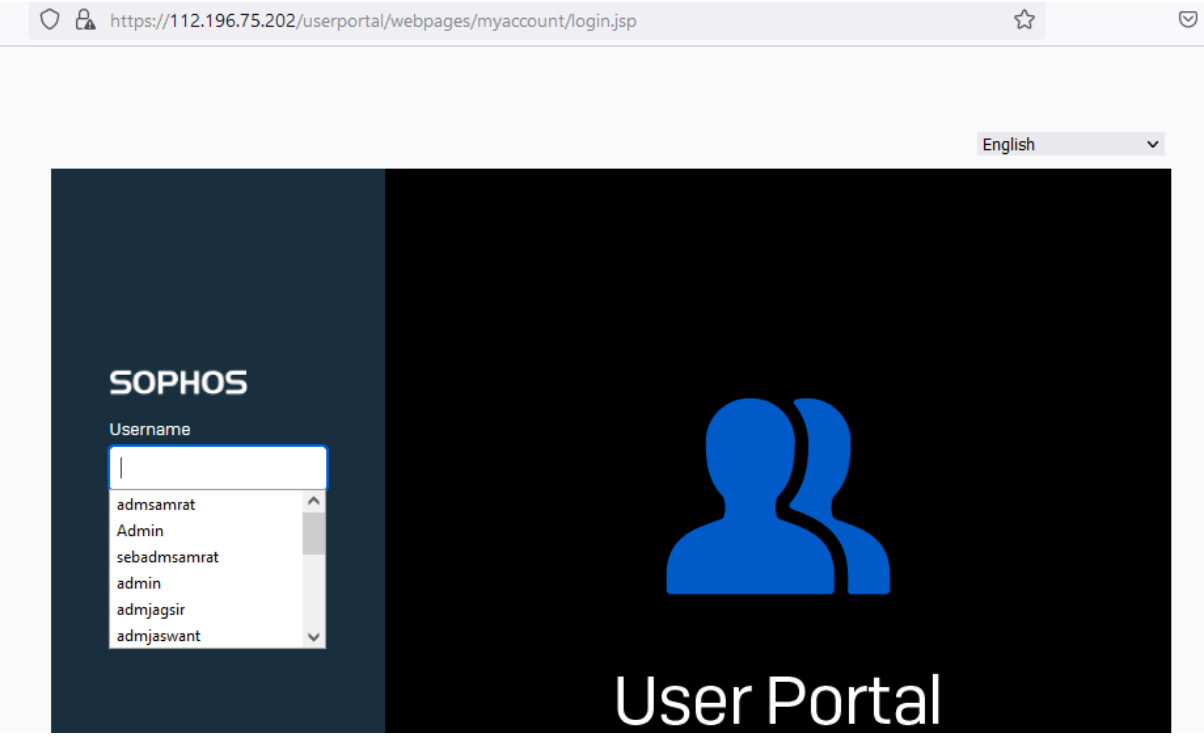
Netsmartz GGN SSL VPN Setup Procedure

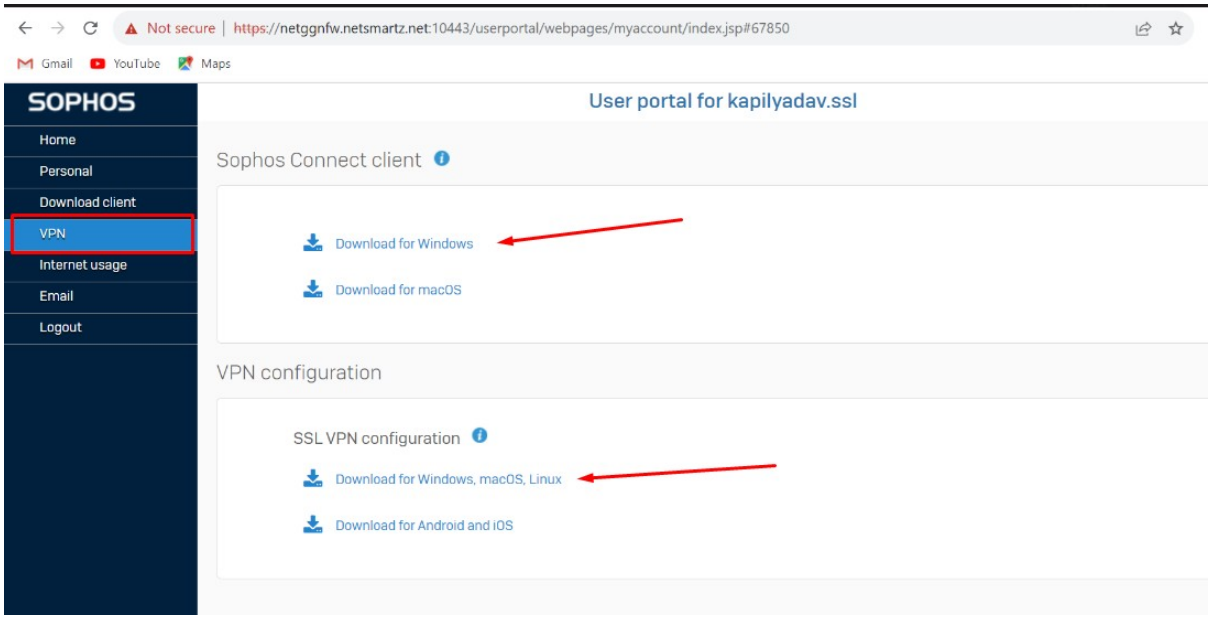
Uninstall the existing SOPHOS VPN from the personal System control panel.

URL: https://netggnfw.netsmartz.net:10443

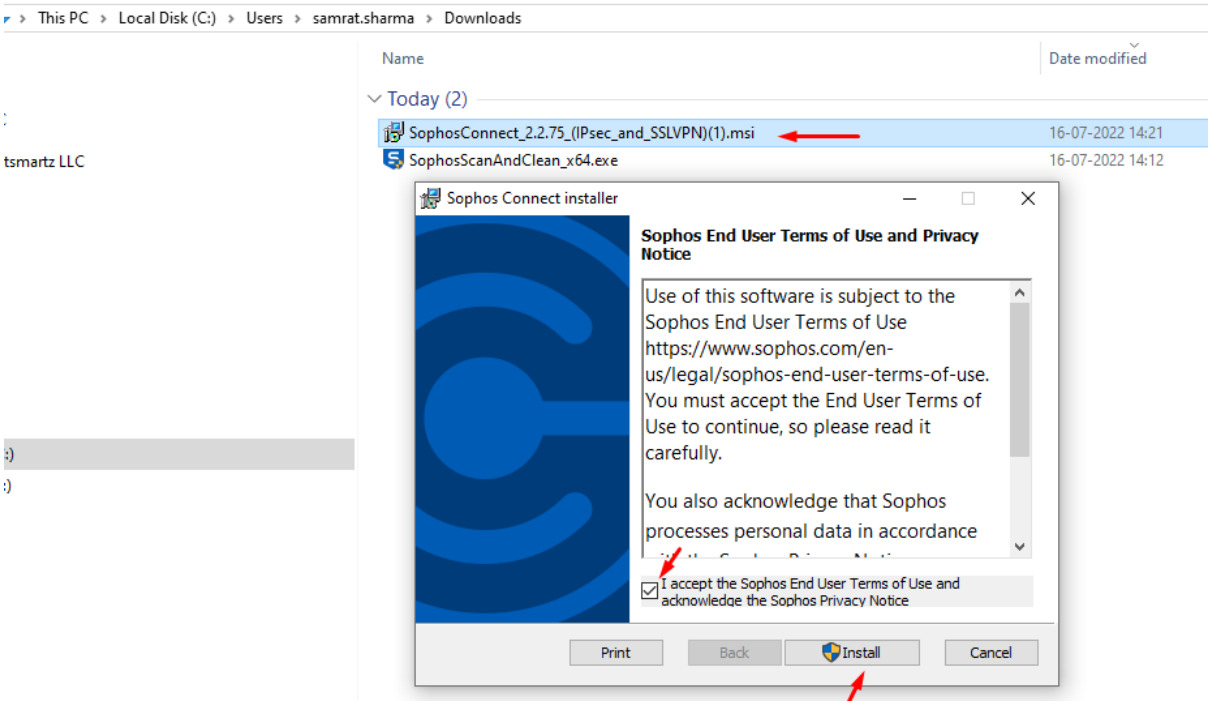
Enter the SSL VPN Credentials

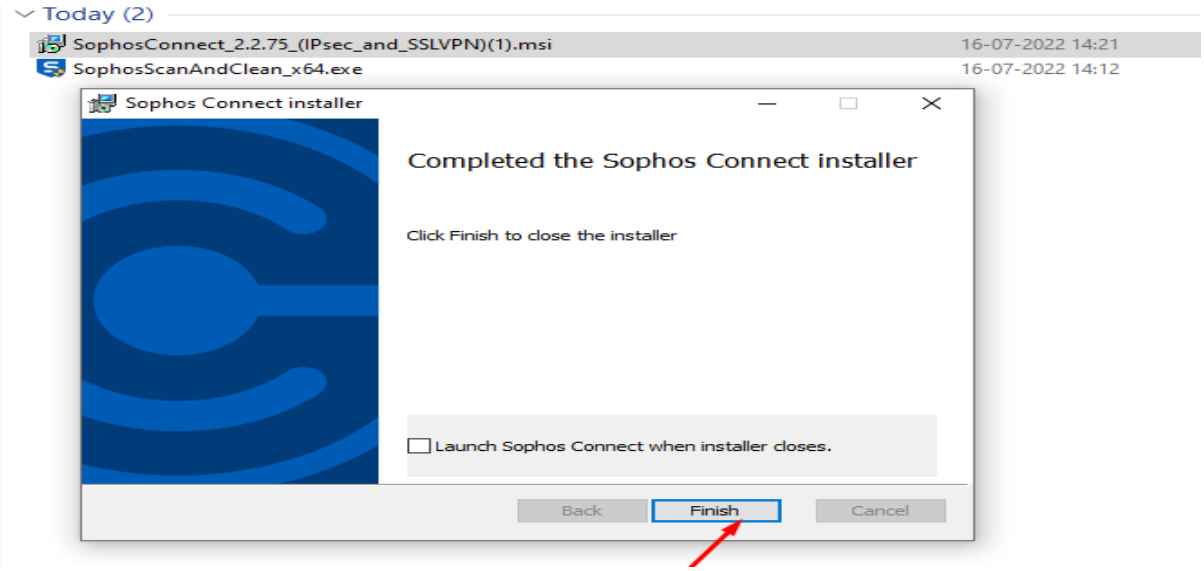


Referring to below image Click ON VPN TAB to Download the Windows & VPN Configuration files.



Run the download for Windows EXE File and follow the Instructions.





After Finishing the installation Search for SOPHOS Connect at your system.

Click On IT & import the configuration file.
